Anchorman Quote of the Week:

Ron Burgundy: Boy, that escalated quickly... I mean, that really got out of hand fast.
 Champ Kind: It jumped up a notch.
 Ron Burgundy: It did, didn't it?
 Brick Tamland: Yeah, I stabbed a man in the heart.
 Ron Burgundy: I saw that. Brick killed a guy. Did you throw a trident?
 Brick Tamland: Yeah, there were horses, and a man on fire, and I killed a guy with a trident.
 Ron Burgundy: Brick, I've been meaning to talk to you about that. You should find yourself a safehouse or a relative close by. Lay low for a while, because you're probably wanted for murder.

Only one month of the 2007-2008 year left! :/
